NOTES:

- This is not a legal document. The Graduate Catalog for your year of matriculation to Baylor is the authoritative document for your requirements to graduate.
- If you have received credit for graduate level courses at another institution (or other graduate program at Baylor), please discuss transfer credit with the graduate program as you begin the PhD in Philosophy. Students who enter the program with graduate philosophy credit from another institution may be able to take only two courses per semester in their third year. See Marilyn regarding appropriate forms to submit.
- Refer to your Degree Audit and unofficial transcript on a regular basis and review these documents with your adviser to be sure you are on track with your degree requirements. These documents are located on *Bear Web*.
